

CROSSING THE LINE – PANEL DISCUSSION

GUEST SPEAKERS

Youth Celebrate Diversity

YCD is building a grassroots movement of students and teachers organizing locally, educating themselves and their peers, and taking action for inclusion and social justice. Operating across Colorado, New Mexico, and Wyoming -- and now virtual programs nationwide -- we support youth-led programs that spark dialogue, insight, and action. Youth Celebrate Diversity is dedicated to educating and empowering youth in order to advance inclusion and equity for all. We believe that education is a fundamental human right, and one of the critical tools every young person needs to succeed in life. We believe that change must come from within a community, and not from outside forces. We are working toward a more just and equitable society that values every human being.

We believe in the young people who will lead us to this vision. Learn more at ycdiversity.org.

ABOUT OUR WORKSHOP

*Morning and afternoon workshop
speakers – June 28*

Crossing over from high school into a life of adulthood is not always clear-cut. Hear from a panel of young adults who are navigating it all.
